Subject: [Non-DoD Source] AMDIAP Avoidance, Minimization, and Compensatory Mitigation Plan

Hi, All.

AIDEA would like to schedule a meeting to discuss restoration opportunities that could be incorporated into the Compensatory Mitigation Plan for AMDIAP. We understand that some agencies have already had discussions regarding this topic, and we wanted to get everyone together for a meeting to brainstorm potential projects agencies are aware of near the project.

Please let me know your availability for the next two weeks by EOD Friday October 11th, so I can schedule a meeting. If it is easier to provide your availability I have a simple spreadsheet with dates and timeslots.

In the meeting invite I'll provide an agenda for the meeting.

We look forward to working with you.
